Nexa Frontier

Core 2 Duo Touch POS Terminal

Very small footprint, plus the screen is able to fold down 90 degrees.

The Nexa Frontier is a Core 2 Duo 2.8Ghz POS Terminal that is more than capable of handling the most demanding of POS applications.

Featuring a slimline design, tool free servicing, ample ports and accessories, the Frontier is also extremely servicable and flexible.

24V Printer power port. No need for a seperate printer power supply.

Rear LCD option for customer advertising
