

Nexa CB-910

Heavy Duty Cash Drawer

Overview

Building on the success of 15,000 CB900 drawers supplied in the Australian market, the CB-910 is the next generation of mid sized Nexa cash drawers.

Featuring robust steel construction, and designed to handle 1 million + transactions, the CB-910 is a drawer that can be relied on.

It features solid steel construction, large 5 note compartment, 8 coin compartment storage capacity and much more.
