ELEMENT SSK-P4 ALL-IN-ONE SELF SERVICE KIOSK

Discover innovative technology known as Element SSK-P4 – The Ultimate Self-Service Kiosk Solution. Designed to streamline customer interaction and improve overall service efficiency, the Element SSK-P4 series is a dedicated self-service kiosk solution that boasts an elegant design, including an all-in-one touchscreen and CPU, a radiant aluminium frame, and tampered glass. This stylish kiosk solution is ideal for any environment.

From fully curated combo boxes to completely customisable kiosks, we offer a broad range of options that can be tailored to meet your individual preferences, including colour and other details.

The SSK-P4 Kiosk offers a 27" screen option, as well as the choice of Android or Windows operating systems, complete with multiple I/O ports to accommodate various peripheral requirements. Retailers can fully customize the SSK-P4 fascia to match their branding and colour scheme.

At the heart of the Element SSK-P series is a modular mount system that can be tailored to various applications, such as grocery, QSR, or any self-service application. The all-in-one touch screen can be mounted via a wall mount, counter stand, back-to-back floor mount, or grocery-specific stainless steel packing trays with inbuilt security weigh scales.

This kiosk's versatility allows any retailer to provide point-of-service and deliver information, assistance, and sales transactions to customers in a seamless, user-friendly manner.

WHY ELEMENT?

Element is a technology provider specialising in systems that enable customer service and engagement.

We design and build devices that are used by customers and with customers, wherever they need service. Our mission is to help our clients engage with their customers to increase trust, convenience and loyalty.

We provide 'point of service' devices - for delivering information, assistance and sales transactions wherever the customer needs them.

All our products are designed by experts with in-depth experience of how they will be used, and the demands that will be placed on them. That's what makes Element products tough, resilient, stylish and designed for purpose.

Element products are for retailers, QSRs, cinemas, shopping centres, event venues and healthcare providers who want to take customer service to the next level.

Element takes service to the customer, wherever they need it, through design, quality and purpose.

DESIGN. QUALITY. PURPOSE.
